Dear Blue Ridge Mountain Security Services Subscriber,

As a cooperative, Blue Ridge Mountain EMC strives to serve the needs of our Members by keeping electric rates as low as possible and operating in the best interest of all Members. In support of this initiative, BRMEMC is taking steps to provide programs and services that promote cooperative value to all Members without subsidies.

After a thorough review of the Blue Ridge Mountain Security Services division, a new partnership has been established with **EMC Security** to assume all existing Blue Ridge Mountain Security Services customers. The transition is expected to be completed May 1, 2018.

EMC Security is a local service provided by our neighboring electric cooperatives, Jackson EMC, Walton EMC, and GreyStone Power. We feel confident that EMC Security will provide an excellent level of service and support.

We have enclosed a list of Frequently Asked Questions to help answer any of your questions.

We appreciate your support as we strive to improve service and value to all Members.

Sincerely,

Jeremy Nelms
